DEAR CUSTOMER

Please note: prices shown are based on the average time required to carry out these specific repairs. All prices quoted include any oils, greases and other fluids required to complete the job.

Any further time taken will be charged at £55 p.h

There will be additional costs if a customer supplies his or her own parts for a repair.

Please remember all repairs that are not collected within 4 weeks of the nominated pick up date will be sold to recover all costs incurred.
